**This Internship is Task Based Internship. So at the end of this session we got one basic HTML Task.**

## ● Task : To create Basic HTML Based a simple Registration Form.

The screenshot displays a web browser window with a single tab titled 'Task-1'. The address bar shows the URL '127.0.0.1:5500/task-1/task-1.html'. The browser's toolbar includes icons for Apps, Gmail, YouTube, GitHub, Microsoft account, Python Variables, (11) Feed | LinkedIn, Free vector icons, Dashboard | Hacker..., Courses | Free Cour..., and a search icon. The main content area features a registration form titled 'Register Here' centered on a light gray background. The form is white with a thin gray border and contains the following fields and controls:

- Firstname** and **Lastname**: Two side-by-side text input fields with placeholder text 'Enter your Firstname' and 'Enter your Lastname' respectively.
- Email Address**: A single text input field with placeholder text 'email address'.
- Gender**: Two radio button options labeled 'male' and 'female'.
- Address**: A single text input field with a small icon in the bottom right corner.
- Contact** and **Birth Date**: Two side-by-side text input fields. The 'Contact' field has placeholder text 'Enter your Number', and the 'Birth Date' field has placeholder text 'dd-mm-yyyy' and a calendar icon.
- Register**: A green button with white text located at the bottom of the form.

The Windows taskbar is visible at the bottom of the screen, showing the search bar with the text 'Type here to search', several application icons (including File Explorer, Edge, Mail, and Teams), and the system clock displaying '08:31 AM' and '26-05-2021'.
